FOR IMMEDIATE RELEASE

November 3, 2010

Robert Flipse Appointed Chair of Refrigerant Management Canada (RMC)

Mississauga, Ontario – Robert Flipse of Gordon Latham Limited was appointed Chair of Refrigerant Management Canada at the Corporation's 10th Annual Meeting held in Mississauga, Ontario, November 3, 2010. Robert, a professional engineer, is a graduate from the University of British Columbia and has been in the industry for over 25 years. Robert is currently the General Manager of Gordon Latham in Vancouver, British Columbia. Robert is the member of the HRAI Contractors Division Board of Directors and Vice-President of the Refrigeration and Air Conditioning Contractors Association (RACCA) BC group. Robert is past President of the ASHRAE-BC Chapter and is also a member of ASPE and RSES. Recently, Robert was named a Fellow Engineer of Canada through APEGBC. Robert has served on the RMC Board since 2007 as a representative of the HRAI Contractors Division and served as Secretary/Treasurer for 2009/10.

Marie Li-Ying of Honeywell Fluorine Products was appointed Secretary/Treasurer of RMC. Marie has served as a Director on the RMC Board since 2006.

RMC is a not-for-profit corporation established by HRAI and the Canadian refrigeration and air conditioning industry to provide an extended producer responsibility program in partnership with government and the Canadian public that:

- manages the environmentally responsible disposal of Canada's stocks of surplus ODS refrigerants for the Canadian refrigeration and air conditioning industries;
- meets the objective of the Canadian Council of Ministers of the Environment (CCME) to minimize and avoid the ultimate release of these substances to the environment; and
- ensures that all surplus ODS refrigerants will be managed in the most environmentally responsible manner to minimize depletion of the ozone layer.
